DETAILED ACTION

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 40, line 7, delete "."

Deleting the period after the word "information" is necessary since claims should consist of a single sentence as discussed by MPEP 608.01(m):

Each claim begins with a capital letter and ends with a period. Periods may not be used elsewhere in the claims except for abbreviations.

Allowable Subject Matter

Claims 1 – 48 and 50 – 60 are allowed.

The following is an examiner's statement of reasons for allowance: In this amendment (after all claims were indicated allowable), the Applicant has added new claims 57 – 60. All new claims (i.e., claims 57 – 60) depend from previously allowed claims. Therefore, since these claims present no new matter, these claims are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
